

Higher Education Nursing Uniform and Kit – Student Fact Sheet

The tables below outline TAFE Queensland’s expectations related to the Bachelor of Nursing Uniform and Nursing Kit requirements. Uniforms are required when attending your practical intensive labs (Sim Labs) and for Professional experience Placement (PEP). Wearing uniforms forms part of the Student Rules and professional requirements for this course. Please refer to the Course Handbook for information student rules related uniforms and personal presentation.

PERMITTED / ALLOWED	
SCRUB TOP	Students are required to purchase the relevant TAFE Queensland branded scrub top for their studies and supply the remainder of their own uniform for use in professional experience placement.
PANTS	Students are to wear the TAFE Queensland scrub top with TAFE Queensland approved black full-length scrub pants that fit loosely around the hips and legs.
SHOES	Shoes must be BLACK, flat heeled, and fully closed-in (i.e. foot to ankle), with non-slip soles. Please ensure they are non-permeable to fluids and sharps. Please ensure lace ups do not extend the length of the shoe to the toe. Leather is recommended.
HAIR	Hair must be kept clean and hair must be secured away from the face. Hair any longer than the collar must be tied up. Any student, who is required to wear a hijab (headscarf/ veil), please ensure it is in plain/neutral colours, such as black and it is tucked into your shirt. (infection control reasons).
JEWELLERY	Only one flat band ring and one set of small ear studs or sleepers are allowed. Fob watches are required.
FINGERNAILS	Fingernails must be natural and of an appropriate short length and style to perform the tasks required in nursing care safely.
HYGIENE	Students are expected to attend in a clean and tidy manner with appropriate hygiene.
