MAKE
GREAT
HAPPEN

CEO Message

For over 140 years TAFE Queensland has proudly served Queensland's communities as the largest, most experienced vocational education and training (VET) provider in the state. Our training is delivered to over 125,000 students each year at more than 60 locations across Queensland, and we offer more than 500 practical, industry-relevant courses ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, TAFE Queensland also offers a range of courses as part of our TAFE at School program. The TAFE at School program is for students in Years 10, 11 or 12 who want to undertake VET study with TAFE Queensland as part of their high school curriculum. Delivery of the TAFE at School program may be undertaken at a TAFE Queensland location, in selected schools, or in the workplace as a school-based apprentice or trainee.

The great thing about these courses is that they fit around your existing studies. Completing a qualification through our TAFE at School program also gives you direct entry into most of our courses at TAFE Queensland, access to a variety of university pathways by contributing to your ATAR, and multiple ways to get started on your career or trade qualification.

This guide features a range of information about the TAFE at School program, from courses to university pathways and intakes to payment options, as well as information tailored for your parents and schools. For further information you can also visit our website at tafeqld.edu.au/schoolstudents, call **1300 308 233**, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. You define your greatness, and TAFE Queensland has an option and pathway that is right for you in 2024 and beyond.

Warm regards,

Mary Campbell
Chief Executive Officer (CEO)
TAFE Queensland

We respectfully acknowledge the Traditional Custodians of the lands on which TAFE Queensland operates. We recognise the continuing connection to land, waters, culture and kin that Aboriginal and Torres Strait Islander peoples uphold. We pay our respects to Elders past and present, who give us strength, inspiration and guidance to deliver great training outcomes for all Queenslanders.

Artwork elements from TAFE Queensland's Reconciliation Action Plan artwork 'Connecting Knowledge – Connecting Cultures' by Riki Salam, We are 27 Creative. Born and raised in Cairns on Yidindji land, Riki has connections to Muralag, Kala Lagaw Ya, Meriam Mer, Kuku Yalanji peoples on his father's side and the Ngai Tahu people in the South Island of New Zealand on his mother's side. Visit tafeqld.edu.au/rap to view the Reconciliation Action Plan or see page 61 of this booklet for further information.

Get more out of high school with TAFE at School

If you're a Year 10*, 11 or 12 student you may be able to complete a TAFE Queensland qualification while you're still at school.*

Choose from a variety of certificate I to diploma courses from a range of study areas from construction to community services, hospitality to health care and everything in between.

HOW TO APPLY

To submit an application for a TAFE at School course, visit www.tafeapply.com.

You'll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to www.usi.gov.au to get one.

FIND OUT MORE

Use the QR code to find out more about TAFE at School

About TAFE at School

BENEFITS OF TAFE AT SCHOOL

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)**
- Direct entry to any related TAFE Queensland course**
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

ON CAMPUS

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly-qualified teachers and benefit from their vast experience.

AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

INDUSTRY EXPERIENCE

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

TRADE TASTER

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at no cost. The program allows students to experience the trades industry by studying one unit of competency from different trade areas.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents/guardians, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships, visit tafeqld.edu.au/sbat or call 1800 210 210.

Enrolment into TAFE at School courses is subject to eligibility requirements. Talk to your VET coordinator or guidance counsellor, or visit our website for more information.

* Eligibility conditions apply.

** Additional entry requirements may apply for select courses.

Important information

TERM DATES 2024

TAFE Queensland term dates align with Queensland school terms to fit with your senior studies.

	QUEENSLAND SCHOOLS	TAFE QUEENSLAND
TERM 1	START Monday 22 January	START Monday 29 January
	FINISH Thursday 28 March	FINISH Thursday 28 March
TERM 2	START Monday 15 April	START Monday 15 April
	FINISH Friday 21 June	FINISH Friday 21 June
TERM 3	START Monday 8 July	START Monday 8 July
	FINISH Friday 13 September	FINISH Friday 13 September
TERM 4	START Monday 30 September	START Monday 30 September
	FINISH Friday 13 December	FINISH Friday 25 October

Most TAFE at School courses have intakes in Semester 1 and/or Semester 2, so you can choose to start studying at a time that suits you.

By choosing to start your first course in Year 10 in Semester 2, you can often complete two courses by the time you have six months left of school. This frees you up to concentrate on your studies for the rest of Year 12 so you can nail your final assignments and exams. Bonus: you're ready to hit the ground running in finding a job to earn money, support a gap year or university studies, and kick start your career.

STUDENT SUPPORT

Everyone's journey is different and sometimes you need some extra support to achieve your study goals. We're here to help. At TAFE Queensland our student support services are available for all of our students, making your learning experience just that little bit easier.

Learn more at tafeqld.edu.au/studentsupport.

If you are a TAFE at School student, your regular school support programs are also responsible for ensuring you receive appropriate levels of support while at TAFE. It is expected that if your school normally provides you with a participation assistant or similar for day-to-day learning or personal support, then they also provide this support when you attend your TAFE at School course.

COST AND PAYMENT OPTIONS

Costs vary from course-to-course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to desbt.qld.gov.au/training/providers/funded/vetis. Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks.

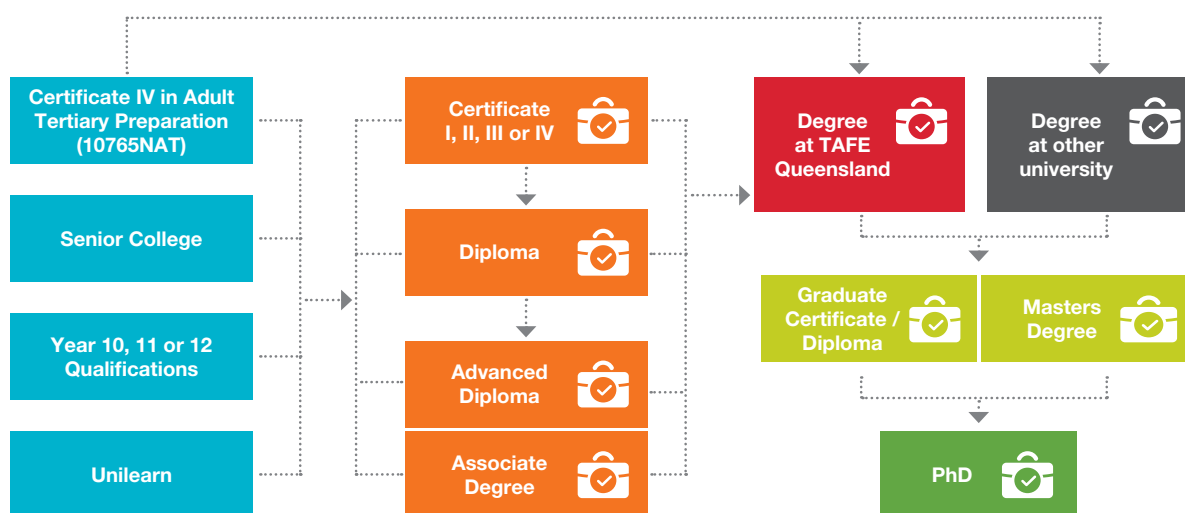

For information about our withdrawal and refund policy, please visit the TAFE Queensland website: tafeqld.edu.au/policies.

Pathways to your future

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

OUR PARTNER UNIVERSITIES AND HIGHER EDUCATION PROVIDERS

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

Post-school options

BECOME AN APPRENTICE OR TRAINEE

Learn hands on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit tafeqld.edu.au/apprentices.

APPLY FOR A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at tafeqld.edu.au/courses.

GET READY FOR UNIVERSITY

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit tafeqld.edu.au/atp.

GO TO UNIVERSITY

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

For more information visit tafeqld.edu.au/pathways.

GET YOUR CAREER OFF THE GROUND

WITH TAFE QUEENSLAND AND AVIATION AUSTRALIA

TAFE Queensland has joined forces with Aviation Australia to deliver a range of aviation and aerospace courses including cabin crew preparation, engineering, and pilot training throughout Queensland.

Information for parents

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education *is* for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

For more information visit tafeqld.edu.au/parents.

PARENTS' GUIDE

FOR SURVIVING SENIOR SCHOOLING AND BEYOND

Subscribe today to get your free copy.

Information for schools

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

HOW TAFE QUEENSLAND CAN HELP

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit tafeqld.edu.au/advisors.

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers with relevant industry experience so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

IVET ONLINE PORTAL

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

TEACHER AIDE TRAINING

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit tafeqld.edu.au/education-support or contact us today.

CERTIFICATE II IN AUTOMOTIVE ELECTRICAL TECHNOLOGY

COURSE CODE: AUR20420

✔ VETIS FUNDED*

CORE UNITS

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR008	Remove and replace electrical units and assemblies
AURETR009	Install vehicle lighting and wiring systems
AURETR011	Install basic ancillary electrical systems and components
AURETR112	Test and repair basic electrical circuits
AURETR115	Inspect, test and service batteries

ELECTIVE UNITS

AURAF103	Communicate effectively in an automotive workplace
AURETR013	Inspect, test and service charging systems
AURETR014	Inspect, test and service starting systems
AURETR116	Read and apply vehicle wiring schematics and drawings
AURTTK001	Use and maintain measuring equipment in an automotive workplace
AURTTK102	Use and maintain tools and equipment in an automotive workplace

Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

PATHWAY OPTIONS

- Certificate II in Automotive Electrical Technology AUR20420

CAREER OUTCOMES

Automotive trade assistant, vehicle service assistant

APPRENTICESHIPS

- Certificate III in Automotive Diesel Engine Technology AUR31520
- Certificate III in Automotive Electrical Technology AUR30320
- Certificate III in Automotive Engine Reconditioning AUR31316
- Certificate III in Automotive Manufacturing Technical Operations – Bus, Truck and Trailer AUM30218
- Certificate III in Heavy Commercial Vehicle Mechanical Technology AUR31120
- Certificate III in Light Vehicle Mechanical Technology AUR30616

Automotive electrician, automotive air-conditioning fitter, automotive electrical fitter, automotive manufacturing technician, automotive mechanic, automotive parts interpreter, diesel fitter, vehicle body builder

WORKLOAD

1 day per week

YEAR LEVEL

10, 11 and 12

QCE CREDITS

4 credits

Learn the skills to perform a range of tasks related to the service and repair of electrical and mechanical systems in light or heavy vehicles. Gain hands on experience in the servicing of engines, building and soldering electric circuits, balancing wheels and tyres, installing electrical accessories and performing other electrical and mechanical tasks. This course will equip you with skills to enter an apprenticeship in either automotive mechanical or automotive electrical.

*No cost to student or school. Subsidised by the Queensland Government under the VET in Schools Program (VETIS). For eligibility go to www.training.qld.gov.au/providers/funded/vetis

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION

COURSE CODE: AUR20720

☑ VETIS FUNDED*

CORE UNITS

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURAF103	Communicate effectively in an automotive workplace
AURAF104	Resolve routine problems in an automotive workplace
AURASA102	Follow safe working practices in an automotive workplace
AURETR103	Identify automotive electrical systems and components
AURLTA101	Identify automotive mechanical systems and components
AURTTK102	Use and maintain tools and equipment in an automotive workplace

ELECTIVE UNITS

AURETR006	Solder electrical wiring and circuits
AURETR115	Inspect, test and service batteries
AURTTA105	Select and use bearings, seals, gaskets, sealants and adhesives
AURTTA127	Carry out basic vehicle servicing operations
AURTTJ011	Balance wheels and tyres

Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

PATHWAY OPTIONS

- Certificate II in Automotive Vocational Preparation AUR20720

CAREER OUTCOMES

Automotive trade assistant, vehicle service assistant

CERTIFICATE I IN CONSTRUCTION

COURSE CODE: CPC10120

✔ VETIS FUNDED*

CORE UNITS

CPCCCM1011	Undertake basic estimation and costing
CPCCCM2004	Handle construction materials
CPCCCM2005	Use construction tools and equipment
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work
CPCCVE1011	Undertake a basic construction project
CPCWHS1001	Prepare to work safely in the construction industry
CPCWHS2001	Apply WHS requirements, policies and procedures in the construction industry

ELECTIVE UNITS

CPCCCM2006	Apply basic levelling procedures
CPCCOM1014	Conduct workplace communication
CPCCOM1015	Carry out measurements and calculations

Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

PATHWAY OPTIONS

- Certificate I in Construction CPC10120

CAREER OUTCOMES

Trade assistant/worker in carpentry, joinery

APPRENTICESHIPS

- Certificate III in Carpentry CPC30220
- Certificate III in Joinery CPC31920
- Certificate III in Shopfitting CPC30120
- Certificate III in Bricklaying/Blocklaying CPC33020
- Certificate III in Painting and Decorating CPC30620
- Certificate III in Solid Plastering CPC31020
- Certificate III in Roof Tiling CPC30820
- Certificate III in Stonemasonry (Monumental/Installation/Fabrication) CPC32320
- Certificate III in Wall and Ceiling Lining CPC31220
- Certificate III in Flooring Technology MSF30818
- Certificate III in Wall and Floor Tiling CPC31320

Carpenter, joiner, shopfitter, bricklayer, painter, roof tiler, stonemason, plasterer, flooring technician, tiler

- Certificate IV in Building and Construction (Building) CPC40120
- Certificate IV in Building Project Support CPC40320

Trade contractor, estimator, builder – low rise, site supervisor – low rise

- Diploma of Building Design CPP50921 Diploma of Building and Construction (Building) CPC50220 Diploma of Building and Construction (Management) CPC50308

Construction project manager, sales manager, office manager, estimating manager or construction site manager

- Advanced Diploma of Building and Construction (Management) CPC60220

Builder – open, site supervisor – open, senior office manager

Trades

**CERTIFICATE II IN PLUMBING**

COURSE CODE: 11054NAT

✔ VETIS FUNDED*

CORE UNITS

CPCPCM2043	Carry out WHS requirements
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
CPCCWHS1001	Prepare to work safely in the construction industry
CPCPCM2046	Use plumbing hand and power tools
CPCPCM2041	Communicate and Work Effectively in Plumbing Cluster
CPCPCM2039	Carry out interactive workplace communication
CPCPCM2045	Handle and store plumbing materials
ASBAWA201	Practice asbestos awareness in the construction industry
CPCPCM2048	Cut and join sheet metal
HLTAID011	Provide First Aid
CPCPCM2055	Work safely on roofs
CPCCCM2012	Work safely at heights
CPCCCM2008	Erect and dismantle restricted height scaffolding
CPCPCM2047	Carry out levelling
CPCCOM1012	Work effectively and sustainably in the construction industry
CPCCOM1013	Plan and organise work

ELECTIVE UNITS

CPCPCM2054	Carry out simple concreting and rendering
CPCCOM1015	Carry out measurements and calculations

Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student. Students will be required to do a compulsory 80 hours of Vocational Placement during school holidays and additional vocational placement requirements apply.

PATHWAY OPTIONS

- Certificate II in Plumbing 11054NAT

CAREER OUTCOMES

Plumbing apprenticeship

APPRENTICESHIPS

<ul style="list-style-type: none"> • Certificate III in Plumbing CPC32420 • Certificate III in Roof Plumbing CPC32620 • Certificate III in Gas Fitting CPC32720 	Plumbing contractor, fire services supervisor, specialist hydraulic designer, site supervisor – low rise, building estimator
<ul style="list-style-type: none"> • Diploma of Hydraulic Services Design CPC50620 • Diploma of Building Design CPP50921 • Diploma of Building and Construction (Building) CPC50220 • Diploma of Building and Construction (Management) CPC50308 	Builder, building designer, site supervisor – medium and low rise, construction manager, project manager, consultant
<ul style="list-style-type: none"> • Advanced Diploma of Building and Construction (Management) CPC60220 	Builder, site supervisor, senior office manager

CERTIFICATE II IN MANUFACTURING TECHNOLOGY

COURSE CODE: MSM20216

✔ VETIS FUNDED*

CORE UNITS

MSMENV272	Participate in environmentally sustainable work practices
MSMWHS200	Work safely
MSS402001	Apply competitive systems and practices
MSS402051	Apply quality standards
MSS402080	Undertake root cause analysis

ELECTIVE UNITS

MSMPCII299	Make an object from plastic
MSMPCII295	Operate manufacturing equipment
MSMPCII298	Make an object from metal
MSS402002	Sustain process improvements
MSMPCII296	Make a small furniture item from timber

Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

PATHWAY OPTIONS

- Certificate II in Manufacturing Technology MSM20216
- Certificate III in Cabinet Making and Timber technology MSF30322
- Certificate III in Engineering Technical (CAD) MEM30505
- Certificate IV in Engineering Drafting MEM40412
- Diploma of Engineering – Technical MEM50212

CAREER OUTCOMES

- Manufacturing trainee
- Cabinet maker, Wood machinist, Furniture maker
- Entry level draftsman
- Draftsman
- Senior draftsman, advanced engineering tradesperson

(CAREER START) REMOTE PROGRAM

COURSE CODE: UEE22020

✔ VETIS FUNDED*

CORE UNITS

UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
CPCCWHS1001-1	Prepare to work safely in the construction industry
UEERE0021	Provide basic sustainable energy solutions for energy reduction in residential premises
UEECD0038	Provide solutions and report on routine electrotechnology problems
UEECD0046	Solve problems in single path circuits
UEECD0052	Use routine equipment/plant/technologies in an energy sector environment
UEECD0009	Carry out routine work activities in an energy sector environment
UEECD0021	Identify and select components, accessories and materials for energy sector work activities

ELECTIVE UNITS

UEECD0019	Fabricate, assemble and dismantle utilities industry components
UEECD0020	Fix and secure electrotechnology equipment
UEECD0035	Provide basic instruction in the use of electrotechnology apparatus
UEECD0008	Carry out preparatory energy sector work activities

Please note uniform, appropriate footwear and clothing or Personal Protective Equipment (PPE) may be required. This will be at cost to student.

PATHWAY OPTIONS

- Certificate II in Electrotechnology (Career Start) UEE22020

CAREER OUTCOMES

Electrical trade assistant/worker

APPRENTICESHIPS

- Certificate III in Electrotechnology (Electrician) UEE30820
- Certificate III in Instrumentation and Control UEE31220

The TAFE Queensland Reconciliation Action Plan Artwork

'Connecting Knowledge – Connecting Cultures'

The TAFE QLD Reconciliation Action Plan artwork 'Connecting Knowledge – Connecting Cultures' is about bringing Aboriginal and Torres Strait Islander and Non-Indigenous Cultures, understandings and knowledges together.

The artwork represents a map of Country (Queensland) with TAFE at the centre. Pathways flow from different Country through out Queensland connecting Communities, connecting Cultures connecting Knowledge.

Freshwater and Saltwater blend together bringing knowledge, wisdom and culture from all over, learning two ways. TAFE Queensland is represented by the central sun symbol, freshwater and saltwater surround this symbol bringing knowledge from the six (6) regions represented by the six circles that form the 'yarning circle'. The 'U' symbols represent people seated teaching and learning and assisting - Staff, Students and Teachers.

Woven pattern designs represent the capturing of knowledge and learning, the essence of what TAFE provides for many people across many aspects from business to trade and various industries.

The Torres Strait Islands are represented at the top of the artwork, the five symbols represent the five island regions of the Torres Straits. Patterns and symbols moving downward on the artwork represent different country throughout Queensland - Rainforest, Desert, Coastal, freshwater and saltwater. The rectangular blocks represent urban locations and more populated regions.

Clear pathways represent accessibility to TAFE for people from all over Queensland, from Urban, Regional, Rural and Remote locations.

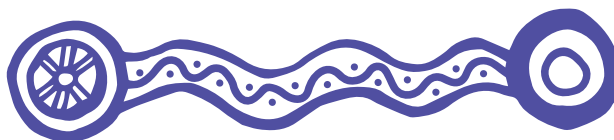

The four (4) medium circles symbolise the TAFE values.
